2. **ECONOMICAL.** Woodpeak prices offer authentic **REAL WOOD** at comparable quality laminate products.

1. **"GREEN"** Woodpeak collection uses sustainable products. ECO Raw materials are optimised by using a thin top layer (0,6mm) of authentic wood species. In addition, we use water base stains and glues without any VOCs.

3. **DURABILITY.** Constructed on **HDF** (High Density Fibreboard) substructure using **SSI** (Super Strong Impregnation) system. This process offers a superior abrasion and impact resistance than typical wood flooring. During the pressing process the adhesive is pressed together into the wood until the saturation level is achieved. The wood fibers absorb the lacquers making contact with the adhesive and ultimately offers a superior hardened surface seal of Micro **"Corindon Particles"**.

4. **HYGIENIC.** Antibacterial.

5. **AUTHENTIC WOOD** species make every Woodpeak floors truly unique: Lightly wire **brushed** finish highlights the natural essence of the wood fibers.

7. **STABILITY.** Perfectly calibrated floorboards. All Woodpeak products use a finishing coat of varnish under the substructure for extra stability and added fire resistance.

6. **LOCKSTP.** A truly unique interlocking system. The worldwide patent LOCKSTP perfectly bonds WPK products together without using adhesive.

Glueless System
Patent-protected worldwide

LockSTP is an innovative glueless flooring system which provides a precision interlocking bond between formats every time.

LockSTP es un innovador sistema de colocación en seco. Gracias a sus anclajes y a la precisión de su mecanizado se garantiza una unión perfecta sin necesidad de cola.

LockSTP è l'innovativo sistema di posa flottante che con i suoi particolari giunti e precisi incastri assicura una perfetta resistenza e tenuta senza l'impiego di colla.

Lock STP est un système innovant d'assemblage sans colle. Grâce à ses crochets et à sa précision d'usinage un assemblage parfait sans collage est garanti.

Union rings for joint pieces.

Covering hooks, for glueless wall applications.
